P.S.R. PARENT ROLE STATEMENT

As a parent, I am aware that my child’s first and foremost religious instruction comes from the home and that my own attitudes, actions, values, and beliefs greatly contribute to his/her growth in faith. Further, I realize that I can give witness to my child by attending Sunday Mass and taking an active part in parish life, thereby demonstrating the beauty of living the faith.

By enrolling my child (ren) _____
in Incarnate Word Parish School of Religion, I am expressing my willingness to cooperate with the administration and my child’s teacher in their efforts to nurture his/her faith development. I understand that my specific responsibilities include those relating to the following policies:

- **Attendance at Mass** – Some of what the students learn centers around our celebration at Mass. Attending Mass with your children on Sundays and Holy Days reinforces what the catechists are teaching as well as spiritually enriches your children to be more open to what they hear in class.
- **Attendance at Class** - Because religion classes meet only once weekly, two absences require that the child make up lessons according to the teachers requirements in order to proceed to the next class level. This is especially critical during sacramental preparation years.
- **Behavior** - Cooperation and respect in the classroom are vital to a Christian environment. Consistent behavioral problems that cannot be resolved may result in the child’s exclusion from our program. Parent conference with the teacher, D.R.E. and/or pastor may also be indicated. It is understood that if the child must be excluded from class, the D.R.E. will make every effort to assist the parents in the religious education of the child at home.
- **Assignments** - The child’s assignments frequently extend to interaction within the family setting. Parental interest and support are necessary components of the child’s successfully completing these assignments.
- **Sacramental Preparation** - Because continual faith development includes certain understanding of specific elements of that faith and a readiness to participate in the church’s sacramental life, a child will not be accepted into the sacramental program (Reconciliation, Eucharist and Confirmation) without some religious training. **At least one parent must attend the meeting provided to give parents an overview of the program in place.**
- **Human Sexuality Program** – Education in Human Sexuality is a component of the Religious Education Program at Incarnate Word Parish. **At least one parent must attend the meeting provided to give parents an overview of the program in place.**

I support these policies and desire to cooperate in my child’s religious education at Incarnate Word Parish School of Religion.

BAPTISMAL CERTIFICATE

If your child was not baptized at Incarnate Word Parish, it is essential that you provide a Baptismal Certificate for each child entering the program for the **first** time.

SACRAMENTAL PROGRAM

Because the sacraments are vital to our religious growth and development as a Christian, please be extremely careful in filling out the information concerning the sacraments on the Individual Registration Form. If your child has not received the sacraments he/she should have, PLEASE contact the Director of Religious Education at 314 576-5366 ext. 26. Thank you for your continued support and participation in our Religious Education Program. If we can be of help to you in any way, please let us know.

FAMILY LIFE PROGRAM

The Catholic Church urges parents and educators to ensure that a family life program is in place in all-sound Religious Education Programs. Archbishop Burke has approved a text for use in our Diocese called GOD'S OWN MAKING. We will use this text at Incarnate Word Parish. The program is specified for grades 4-8. It consists of three lessons. The fifth grade level deals with some of the physical aspects of God's gift of human sexuality. There will be a meeting for all parents of students in grades 4-8 before the program begins in the spring. For our 8th graders, they will participate in a respect life program called The Right START. This is a curriculum offered by the Archdiocesan Pro-Life office with the goal of introducing the students to the basic life issues that are central to our Catholic faith.

PARENT ROLE STATEMENT

The Parent Role Statement indicates your interest, as your child's primary educator, to support the Religious Education Program as it is stated. This statement must be signed each year before your child/children will be admitted to the program.

PARENT VOLUNTEER SECTION

The parents of our Parish School of Religion are asked to donate their time and talent to the program as well as their treasure. Parents are the primary religious educators of our children. They form a partnership with the PSR teachers to enrich the understanding of the teachings and values of our faith. Therefore, we would like to invite you to take part in its success by filling out the Parent Volunteer Section. Please feel free to add your suggestions or comments.
