

Conclusion : Peace

The only source of peace in our troubled world is the mercy of God. The Lord made it clear to us through St. Faustina.

“Mankind will have no peace until it turns with trust to my mercy” (Diary, 300)

The essence of the Divine Mercy message and devotion is TRUST in His mercy and BE MERCIFUL to others.

In the words given to St. Faustina:

“Jesus, I trust in You! (Diary, 327)

In the words of Jesus in the gospel:

“Be merciful even as your Father is merciful” (Luke 6:36)
