The Tiger shirts are paid for by the pack; please just indicate size for your order. These shirts are identical to the rest of the shirts, but are orange with black lettering.

The rest of the shirts are \$6 each, and are gold with dark blue lettering. You may want to order a size big so that the shirt can make it through at least a summer or two! We do not anticipate changing the design of the Class B uniform, so this should last as long as you can make it last.

The design below will appear in the center of the front of the shirt.
