Stewardship Reflection

"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone." (1 Corinthians 12:4-6)

By giving each of us different gifts, God made sure that the Church would have the combination of talent and treasure that was needed to do God's work. However, what happens if one of us does not bring our contribution to God's altar? God's plan is not fulfilled. Some important work is left undone.

Pro Life News**Thought of the Day**

No right is more fundamental than the right to life itself, and no innocent human life already begun can be deliberately terminated without offense to God, the Author of all life. We must end abortion now; our future depends on it.

Blessing of Expectant Parents will take place during the Masses next weekend, June 6-7th. The prayer is as follows: *Hear the prayers of all expectant parents who await the birth of their child. Calm their fears when they are anxious. Watch over and support these parents and bring their child into this world safely and in good health, so that as members of your family, they may praise you and glorify you through your Son, Our Lord Jesus Christ now and forever, Amen.*

TO THE FAITHFUL OF THE ARCHDIOCESE OF SAINT LOUIS
ON THE GLENNON SUNDAY COLLECTION

Dear brothers and sisters in Christ,

Cardinal Glennon Children's Medical Center provides an exceptional service to so many children and their families in our community. It is the only freestanding, Catholic, children's hospital in America.

Through its services, Cardinal Glennon ministers in the lives of over 250,000 children each year. All children, regardless of their financial circumstances and that of their families, are treated at Cardinal Glennon Children's Medical Center. Glennon is able to treat the most vulnerable due to your generous support. Cardinal Glennon Children's Medical Center receives no funding from the Annual Catholic Appeal, Catholic Charities or United Way.

On the weekend of June 6-7, 2009, you will have the opportunity to support the ministry of Cardinal Glennon Children's Medical Center through the annual Glennon Sunday collection. I encourage you to be generous.

With prayers for your health and well-being, and that of all God's children, I am,

Devotedly yours in Christ,

Job Search Assistance & Career Networking

Whether you are unemployed or just looking for a BETTER job, career networking is the key. The Incarnate Word Job Search Ministry is part of the Catholic Employment Network, a collection of West County parishes that share job information and resources.

The Catholic Employment Network helps the unemployed and underemployed to proactively network with industry contacts and hiring authorities. We promote a proven step-by-step system that takes job seekers through determining the direction of their search, preparing for networking activity, calling and meeting with industry contacts to gain referrals and interviews.

The next Job Search & Career Networking Meeting is at Incarnate Word on Thursday, June 4th, from 7:30pm to 9:00pm in the Watson Room in the Lower Church Hall. Please join us for instruction and assistance on finding and landing a better job. Everyone is welcome and please invite anyone you know who might be in a job search or unhappy with their current position.

We are in need of “Industry Contacts” or volunteers who can meet with job seekers from their industry to give them advice, guidance and referrals to aid in their search. Contact Brian Calsyn with questions, 314-628-9893 or brian@teamcalsyn.com.

GARDENING ANGEL NEEDS

Waterers – we are so happy to have a sprinkler system that waters the grass and gardens around the church, school and rectory. Still needed however, are volunteers to water the islands in the parking lots – if you would like to water once a month, please call me and I will provide details.

Adopt an Area---we still have small areas that need weeding and some personal attention – if you would like to adopt an area call me. It is quite rewarding.

Adopt St. Joseph's Garden---I have adopted this area the past several years and would like to focus my attention on another area. This garden is at the northwest corner of the church right as you turn left to drive to the back parking lot. The garden was started many years ago by a former IW priest and has continued to flourish with groundcovers, perennials and bushes.

Service Projects---we have large and small projects that can be done at any time all year long – call me if you are in need of service hours.

Suggestions---are always welcome.
