Stewardship Reflection

“Did not God choose those who are poor in the world to be rich in faith and heirs to the kingdom that he promised to those who love him?” (James 2:5)

What is more important—being rich in faith or in possessions? Society teaches that possessions are most important. God teaches a different lesson. When we are rich in faith we know that material things really do not matter and we are more willing to share what we have.

The final party will be held on Friday evening, October 23rd. This event includes dance instruction, taught by Stan Collins from *U Can Dance* and guidance on manners and etiquette. The cost is \$40.00. Sign-up sheets will be sent home with parish school students and mailed to PSR students. There are also sheets available in the back of Church. In Our Midst

- I am very grateful to the **Knights of Columbus** of Incarnate Word Parish who have graciously and generously donated \$8,745 to our tuition assistance program. This money is used to help families who are having difficulty paying the tuition for Incarnate Word School. We were able to use the funds to help with tuition for ten students. The Knights of Columbus have always been so generous to our parish in so many different ways and we thank them for their willingness to help the parish. Remember that the Knights of Columbus fish fries are one of the ways they raise funds so that they are able to help others.
- Kenrick-Glennon Seminary** is assigning two seminarians to our parish during this coming school year. They will be with us mainly on Sundays to help them get an experience of parish life. One of the areas they will be concentrating on is our Life Teen Program. Assigned to Incarnate Word Parish are **James Netusil**, a Theology II student from the Archdiocese of Omaha and **Michael Benz**, a Theology I student from the Archdiocese of Saint Louis. They will begin their ministry here on September 13th. We welcome them to our parish and look forward to getting to know them.
- The process of introducing people to Christ is important and essential for every parish. It is also important to introduce people to each other so they can come to know Christ through the community of believers. Our new **ACT II Adult Ministry** has been created to provide opportunities for adults in the parish to meet regularly in a social setting and to encourage and strengthen friendships while providing spiritual, social and service opportunities for our members. A brochure is enclosed in the bulletin this week that highlights some of the upcoming events and ministry opportunities. Act II Adult Ministry is one additional way our parish provides opportunities for shared prayer and service to those in need in our parish. I encourage your support and involvement in Act II.
- If you have not already purchased your ticket for **Mid-Life! The Crisis Musical**, I encourage you to do so. This play will be performed by the Act II Players of Incarnate Word Parish in the Kent Center for two shows on Saturday, September 12 at 8:00pm and Sunday, September 13 at 2:00pm. The cast consists of 8 very talented Incarnate Word parishioners who have been practicing hard under Director Anna Blair and Music Director Paul Westcott. You will laugh out loud as you see how your life is or how it was and how it will be! Tickets are \$12 in advance & \$15 at the door. Tickets are available for purchase after today's Masses or at the Parish Office.
- There will be only one Mass at 9AM on Labor Day, Monday, September 7th.

Pro Life News

**"40 DAYS FOR LIFE" CAMPAIGN -
September 23 - November 1**

This peaceful and prayerful witness for life brings awareness to the reality of abortion and the damage it causes the community. This Fall, join the hundreds of thousands of people participating in "40 Days for Life" across North America and internationally. All we need is **YOU**. Are **YOU** being called to pray and fast? **Prayer** can be in a group, individually, outside an abortion clinic, or in your car. **Fasting** simply involves renouncing an activity that can put a barrier between you and God. It could be television, the Internet, chocolate, coffee or anything that may separate you from God. Maybe you are called to assist with the **Community Outreach** by taking the pro life message to every corner of our community, distributing information and helping with the education drives and other awareness initiatives.

Or are **YOU** called to stand for life during the peaceful vigils? **"40 days for Life St. Louis"** is committed to holding daily vigils outside Planned Parenthood's Forest Park location. These vigils will be peaceful, prayerful and an educational presence from 7 in the morning until 7 at night every day for 40 days. This witness will send a powerful message to the community about the tragic reality of abortion. As you can see this is a project in need of many hearts, souls and bodies. 40 Days believes that God is the true orchestrator of this campaign and we are merely His instruments. We humbly ask that you prayerfully consider how God wants you to participate. The Incarnate Word Pro Life Committee has signed up for an **"Adopt-A-Day" for Saturday October 3rd**. Please contact Pat (314-576-1366) for information about signing up for that day. Learn how **you** can help save lives by contacting info@40daysforlifestl.com or by visiting www.40daysforlife.com/stlouis. The "40 Days Kick-Off Rally" will be held here at Incarnate Word on Saturday evening, September 19th from 7:00 to 8:30 pm. We will have sign-up weekends on September 19-20 and 26-27. During last year's Spring campaign we had over 50 participants from Incarnate Word witness at Planned Parenthood and many more praying and fasting. Overall in 137 cities in 43 states, 4 Canadian Provinces, Australia and Northern Ireland, 433 lives documented saved from abortion, including 9 babies saved in St. Louis.

As You Prepare to Donate Blood or Platelets

Each time you come to donate blood, the American Red Cross will check your hemoglobin, an iron-containing protein. This is done to protect both you, the donor, and the patient who receives your blood.

Many people are temporarily restricted from giving blood due to low hemoglobin levels.

What can you do?

The good news is that you can increase your level of iron by eating iron-rich foods such as those listed below, or by taking supplements.

Meat

Liver, Beef, Lamb, Turkey, Ham, Chicken, Veal, Pork

Fruit

Prunes, Watermelon, Dried Apricots, Dried Peaches, Strawberries, Raisins, Dates, Figs

Breads & Cereals

Enriched Bread, Whole Grain Bread, Enriched Noodles, Bran Cereals, Corn Meal, Oat Cereal, Enriched Rice

Seafood

Shrimp, Mackerel, Sardines, Oysters, Clams, Scallops, Tuna

Vegetables

Spinach, Sweet Potatoes, Peas, Broccoli, String Beans, Collards, Tomato Juice

Others

Eggs, Dried Peas (split peas, chick peas), Dried Beans (lima, kidney, navy), Instant Breakfast, Corn Syrup, Maple Syrup, Lentils, Molasses

If you have been temporarily deferred, increase your iron intake, and you can try donating again in about a week.

What else should you know about iron?

- › Vitamin C enhances the absorption of the iron you eat. Eat fruits and vegetables rich in vitamin C along with food high in iron.
- › Tea interferes with iron absorption by about 50 percent.
- › Iron in meat is absorbed twice as efficiently as that in vegetables. Only two percent of the iron in spinach is absorbed. More iron from vegetables can be absorbed if meat is eaten at the same meal.
- › Iron pots, such as cast-iron skillets, are an excellent source of iron, especially when used for cooking acidic foods. Spaghetti sauce increases from three to 88 milligrams of iron per half cup when simmered in an iron pot for three hours. Steel cookware provides no additional iron.

Why you need iron

- › Iron is part of hemoglobin, a protein that gives blood its red color.
- › Hemoglobin cannot be created without iron. About 250 milligrams of iron are needed to produce the hemoglobin for one pint of blood.
- › Too little iron in your blood results in iron deficiency anemia. Anemia reduces the amount of oxygen in the blood, which can contribute to malfunctioning of the heart, muscles and brain.
- › About half of your body's iron supply is contained in your red blood cells.
