

Nicaragua: In Our Words

September 26th

7:00 –8:30PM

For the past two years our Life Teen group has traveled to Nicaragua to work with the people of the city of Chinandega. You may have read the letters, heard some of the stories, or even looked up information yourself. We wanted to tell you our story and the story of the people we met in person. On **Saturday evening, September 26th from 7:00– 8:30PM in the church**, we invite the entire parish to share in the story of the Nicaraguan people and our experiences there. There will be witnesses from teens and adults who traveled with us, along with a video slideshow depicting our work and the people there. There will also be a time for us to answer questions that you may have about this trip. Come join us as we share with you our amazing experience and how God has worked through our lives and through the people of Nicaragua.

This event is not a fundraiser, and no collection will be taken.
